Bespoke branded acoustic room dividers, Hacer LED intelligent lighting system, bespoke open auditorium seating with storage and shelving, concrete effect to columns with high planting detail, Interface Composure & Level Set flooring, branded moss wall to social spaces, Wagstaff furniture and Vitra Dancing Walls.

‘Our experience with Wagstaff has been fantastic, they took on our brief and managed the process flawlessly from start to finish within the project timeline. They are very professional with a very positive approach to improve and support changes, this was also reflected within their communication and their workforce. We love the final design and the feedback from our staff has been nothing but positive!!

Anyone seeking to improve their office space, I would highly recommend Wagstaff
